Glen Erin at Lancefield

Where Happily Ever After Begins...

The Venue

Stunning views and the vineyard setting make the perfect combination for your wedding

When planning your wedding day, you need a venue you can be confident with and Glen Erin provides it every time.

Only an hour's drive from Melbourne, Glen Erin feels many miles away, and provides a picturesque vineyard setting to give your day a real sense of occasion.

With the magnificent Macedon Ranges as the backdrop, your ceremony takes place on the lawn or in the onsite chapel. Your guests then head inside to the Vineyard Room for a formal banquet style setting overlooking our picturesque vineyards.

The Grange Restaurant caters for intimate smaller weddings. All weddings are catered for with the same fine restaurant cuisine that Glen Erin is renowned for.

There is no need to worry about transport as Glen Erin has 24 luxury suites in our main accommodation area. As well as 6 generous bedrooms with ensuites in the original renovated homestead. The homestead's main bedroom has a king bed and spa ensuite.

Your guests will relax in the 4½ star accommodation that overlooks the vineyard, enjoy wine tasting at the cellar door, delicious meals in the fine-dining restaurant and entertaining themselves with the many onsite activities.

Glen Erin specialises in creating personalised and unforgettable wedding celebrations. Whatever your individual style or special requests you have, our chef and wedding co-ordinator will ensure all your individual needs are met.
